Year-End Reminders and Deadlines...

Introduction

Our annual list of year-end reminders and important deadlines follows. Contact us if you have any questions regarding any of the items listed. Many of the dates refer to calendar-year plans and adjustments may be necessary for non-calendar year plans.

Year-End Reminders

Item	Discussion
Salary-reduction elections	Participant 401(k) and Cafeteria Plan elections generally have to be made prior to the beginning of the plan year. Before the end of 2006, plan sponsors should confirm that election options have been communicated and participant elections made for calendar-year plans.
Safe Harbor 401(k) Notices	In order to maintain a Safe Harbor 401(k) plan, certain annual notices must be distributed to eligible employees. One notice describes such employees' rights and obligations regarding the coming plan year. The other notice states the Employer's contribution commitment for the safe harbor profit sharing contribution for the current year. These notices must be distributed between 30 and 90 days before the end of the current plan year (between October 2, 2006 and December 1, 2006 for a calendar year plan).
Cafeteria plan flexible-spending accounts	Cafeteria Plan rules require that plan participants forfeit unused amounts remaining at the end of the plan year, unless the Plan provides for a "grace period" of up to 2 1/2 months after the plan year end. Employees should be reminded of this "use it or lose it rule" and budget their medical and dependent-care expenses accordingly. Visiting the dentist, purchasing eye glasses, and purchasing non-prescription drugs (if the Plan allows) on or before December 31, 2006, or the end of the grace period, if adopted, could reduce or avoid losing unused amounts. Please note that dependent-care salary deductions have to be reported as a separate item on the employee's W-2 Form.

Item	Discussion
Participant-directed investments	If participants self-direct their plan investments, then these investments should be reviewed for suitability no less often than annually. It is the plan administrator's fiduciary responsibility to provide appropriate investment choices.
Plan amendments and contributions	<p>If it is desired to amend a pension or profit sharing plan, then the plan has to be amended prior to the plan's year-end. If it is desired to decrease a pension plan benefit or contribution formula, then generally an advanced notice prior to participants accruing their benefits is required. Generally, for a calendar year pension plan, the participant notice describing a benefit decrease has to be distributed by December 16 for small plans. Because a profit sharing plan's contribution is usually discretionary, this latter requirement generally does not apply to profit sharing plans.</p> <p>In addition, 401(k) Plans must be amended by December 31, 2006 (or by the end of the 2006 plan year) to comply with final IRS regulations.</p>
Retirement-plan distribution withholding and reporting requirements	<p>Form 945 is used to report distribution income-tax withholding, and Forms 1099-R and 1096 are used to report retirement plan distributions. If distributions were made in 2006, then the filing deadlines are January 31, 2007 for Form 945 and for the participant copy of Form 1099-R, and February 28, 2007 for Form 1096 and for the Internal Revenue Service copy of Form 1099-R. Generally, your accountant or bookkeeper will prepare Form 945.</p> <p>The Trust should have a Trust Identification Number (TIN) which is different from the Corporate Employer Identification Number (EIN). The TIN should be used to report plan distributions and as the identification number for asset accounts. If the Trust does not have a separate number, please notify us so that one can be applied for.</p> <p>Please note that if you currently use the Electronic Federal Tax Payment System (EFTPS) to make your federal employment tax deposits (under the EIN), to make your plan distribution withholding tax deposits under the TIN, you will either have to establish a new EFTPS account or use the Form 8109 Federal Tax coupons under the TIN.</p>

Year-End Reminders (continued)

Item	Discussion
Fidelity Bond	<p>Except for one-participant plans, ERISA requires that every fiduciary of an employee benefit plan and every person who handles funds or other property of a plan be bonded. A one-participant plan means a plan whose participants are only a 100% owner (and/or his spouse) regardless of whether the business is incorporated or not, or whose only participants are partners and/or their spouses.</p> <p>The amount of the bond must be 10% of the funds handled with the minimum coverage amount being \$1,000 and the maximum amount being \$500,000. The coverage requirement is determined at the beginning of each year and may have to be updated. PRS can obtain the bond for you.</p>
Age 70½ minimum required distribution requirements	<p>Because the age 70½ requirements are complicated and because there is a 50% excise tax for the amounts not taken, we suggest that you contact us if you have any questions.</p> <p>Generally, distributions must be taken by December 31. If age 70½ is attained in 2006, then the 2006 distribution may be postponed until April 1, 2007, in which case two distributions would be required in 2007 (the 2006 distribution by April 1, 2007, and the 2007 distribution by December 31, 2007.)</p> <p>Subject to certain conditions, the Plan may allow non-5% owners to delay commencement of the distributions if still actively employed. However, except for Roth IRA accounts, individuals are still required to take IRA distributions once they have attained age 70½.</p>
Beneficiary Election Forms	<p>Each plan participant should be reminded that he can update his Beneficiary Election by completing a new Form. Examples of when new forms should be completed are as follows:</p> <ol style="list-style-type: none"> 1. A participant whose marital or family status has changed since last completing a Beneficiary Election Form should complete a new Form. 2. A married participant who has attained age 35 since last completing a Beneficiary Election Form should complete a new Form. 3. A participant who has changed his estate plans since last completing a Beneficiary Election Form may want to complete a new Form.
