2017 Pension Plan Limits

(continued)

As part of the services we provide, we will automatically incorporate any applicable cost-of-living increases when we prepare your 2016 valuation. These changes may increase the contributions to your company's Plans. In addition, they may also help employers increase the contribution for the principals relative to the other plan participants. Do not hesitate to contact us if you would like to change (either increase or decrease) your 2016 contribution or if you have any questions. The earlier we know, the more alternatives that may be available. Let us know what you want.

Important Reminder for 401(k) Plan Sponsors

401(k) Plan Sponsors must give participants the opportunity to change their elections at least once a year. Therefore, it is a good idea to distribute election forms every December (for calendar-year plans) to all eligible employees whether they currently make 401(k) contributions to the Plan or not. Particularly for those employees currently not contributing to the Plan, it is important to get back a signed and completed election form showing the non-election choice. Plan Sponsors should keep these election forms on file. In case of a plan audit, not having election forms for a plan with either minimal participation or only owner participation will raise all sorts of red flags.

If a participant elects to make 401(k) contributions, you should coordinate the participant's election with your payroll provider and establish an account with the Trust for the participant's 401(k) contribution deducted from payroll. By non-highly compensated participants contributing more in 401(k), non-discrimination test results will improve, thereby possibly enabling the company to save money in employer contributions.

Data Packages Coming Soon

Just to remind you that we will begin uploading calendar year plan Data Packages to your ShareFile portal on January 5, 2017. You will receive a notification via email that the package is available. Please open up the Instructions to view your deadlines. The packages for non-Safe Harbor 401(k) Plans need to be returned to us by the end of January so that ADP testing can be done.
